### **Company Name**

Boost Vertex

### **Business Type**

**Digital Marketing & Performance Marketing Agency**

### **Primary Expertise**

1. Meta Ads
2. Lead Generation

### **Supporting Services**

3. Google Ads
4. YouTube Ads
5. SEO

### **Additional Service**

6. Web Development

### **Overall Positioning**

### **Performance Marketing**

Boost Vertex should be positioned as a performance-driven digital marketing agency focused primarily on Meta Ads and Lead Generation, with Google Ads, YouTube Ads, SEO and Web Development supporting the wider customer-acquisition journey.

### **Target Markets — APPROVED**

- Pakistan
- United Arab Emirates (UAE)
- Saudi Arabia

Please use these three markets consistently throughout the website where geographically relevant.

## **2. FOUNDER STORY — APPROVED & LOCKED**

Boost Vertex was founded by Tayyab Riaz with a simple goal: to help businesses turn digital marketing into real business opportunities.

Starting with a strong focus on **Meta Ads and Lead Generation**, Boost Vertex helps businesses reach the right audiences and generate relevant leads. The agency has since expanded its capabilities to include **Google Ads, YouTube Ads, SEO, and Web Development**.

Today, Boost Vertex works with businesses across **Pakistan, the UAE, and Saudi Arabia**, with a focus on lead quality, practical execution, and measurable performance.

**Our belief is simple: digital marketing should contribute to business growth—not just generate clicks and impressions.**

**Please use this version as approved website content. Do not rewrite it.**

### **3. BRAND / DESIGN DIRECTION — APPROVED**

#### **Typography**

- **Headings:** Manrope
- **Body/UI:** Inter

#### **Colors**

Exact HEX colors are **not locked**.

Please select/refine the website color palette based on the existing Boost Vertex logo and overall UI/UX.

The desired visual direction is:

- Premium
- Modern
- Clean
- Professional
- Performance-focused
- Strong whitespace
- Clear typography hierarchy
- Minimal unnecessary gradients
- No generic AI-looking design

#### **Logo**

The official Boost Vertex logo has been provided.

Please use the supplied logo without distortion, stretching or unnecessary modification.
